CERTIFICATION OF MAILING UNDER 37 C.F.R. 1.8(a)

I hereby certify that this correspondence and any papers referred to as attached are being deposited, on the date shown below, with the United States Postal Service, with sufficient postage, as first class mail in an envelope addressed to the Assistant Commissioner for Patents, Box PCT, Washington, D.C. 20231.

SUPPLEMENT TO RENEWED PETITION UNDER 37 CFR § 1.47 (a)

Sir:

This is a supplement to the continuation dated 03 July 2002 of the petition filed by Attorney Jerrie Chiu on 24 July 2001 requesting that the Patent and Trademark office accept the inventors' declaration in the above-identified patent application without the signature of listed inventor William Wai-Lun Lam, who could not be located.

In accordance with the communication of 03 July 2002, I now report that the copy of the application, declaration, and an appropriate cover letter which were sent to Dr. Wai-Lun Lam at his former Tokyo address of 102 Hongo 5-6-6, Bunkyo-Ku, Hongo, Tokyo JAPAN 113 by Federal Express could not be delivered.

Copies of the shipping label, the tracking system printout, and the return shipping label accompany this communication.

I noted that in attachment #1 of Cecilia Scully's search results, which were included with the renewed petition of 3 July 2002, the second listed item was a publication entitled "Impact of Localized Treatment in Reducing Risk of Progression of Low-Grade Oral

Dysplasia: Molecular Evidence of Incomplete Resection", by multiple of authors at the Faculty of Dentistry of the University of British Columbia, Vancouver, British Columbia, Canada. Among the authors listed was a "Lam, W. L.". I called the Dean's office of the Dental School of the University of British Columbia and inquired whether the Dr. Lam listed as an author of that paper is the individual we are seeking. I was informed that the author W. L. Lam was not a faculty member, but was probably a graduate student, and told that I should discuss my question with one of the other authors of the paper, Dr. Joel Epstein, a faculty member. I subsequently spoke with Dr. Epstein and inquired whether the individual with whom he published was the William Wai-Lun Lam we are seeking. He replied that his co-author is not the individual we are seeking.

It is requested that Mr. Putonen telephone the undersigned to discuss whether any additional steps should be taken to identify Dr. Lam's current whereabouts, and if so, what these steps may be.

Respectfully submitted,
